cating the utility of the race-horse. Here is Early in January last the steamer John one: The fact is, a "raceborse" may be the least

An Interesting Incident of the Exhibition.

In the Times' correspondence from Paris, The Emperor has received at the Tuileries a presented the members to His Mujesty, delivered the subjoined address:-

May it please your Majesty,-It is, Sire, with sufferenced pride that I approach your Majesty to present those whom your kindness has so practionally parmitted to offer their expression of deep homage. The working men of England. Sire, come here, following the products of theindustry of their own land, to see them ranged by the side of those of this and other nations. capital which you have so much adorned: but If we lay saids all nonsense about it, and look above all, they come to exchange with their at a great race with all its accompaniments in fellow workmen of France those social greetings of the world. No one denies the advantages of thined lies in the hands of the Great Disposer years to such an extent that we may be excused present to you may, for themselves and their for being rather sick of the subject; but no country, foully hope that in the warm grasp of doubt there are great advantages in a love for international courtesy may be crushed those the open air, for harlihood, activity, and dex- withered seeds of national variance which the terity. A hunting field is a good thing, so is richer growth of civilization, under your Majea. shooting when it does not degenerate into a Ly's guidance, has hitherto been powerful to mere brutal massacre, by which a wood is con- amother and control. In pursuance of this vorted into a sort of wholesale shambles for object a company has been formed, the organipoultry. No one will deny that rowing is a zation of which, with a regular staff; we believe splendid exercise, and it would possibly be un- will enable us to send large numbers of work reasonable to object to the unnatural importance ing men to Paris, and to secure their order and with which particular events like the University | comfort while there. In order that the commatch or the Henley regatta are invested. pany may be able to do this at as little cost as Things are always carried to an extreme and possible to the working men, we ask from your exaggerated in an unreasonable way if they are Majesty the following concessions:—1. That the specially distinguished by popular favour. A railway fares may be reduced, and the same privi-Volunteer review is a fine spectacle in itself, leges be accorded to the English workmen that and it has besides important public advantages your Majesty lass granted to the Chambers of Cricket is an admirable game. In short, there Commerce of France. 2. That the photograph now is a great deal to be said in favour of any sort required from weekly ticket holders may be dis-of sport which requires great skill and pensed with in the case of those travelling with developes bodily activity and endurance, the company's tickets. S. That fetes, &c., may though these pursuits have of late years been be permitted to be organized by the company invested with an about degree of prominence so that the working men of the two countries and have had assigned to them a degree may be brough into direct communication with of importance which appears to us in many cacli other. The delegates now present will ways injurious to the real manliness and form themselves into a committen, and, with your good sense of the nation. What, however, can Majesty's permission, will put themselves in be said in favour of horseracing Pala there a communication with the French Society for the single advantage connected with it to man or Promotion of Intercourse between Working besit which can be regarded as any sort of set. Men. The gracious welcome which your Mojesty off to the many crying evils with which it is his given to the industry of England will form a notoriously connected? No doubt the Derby fresh element of concord and good will; and be

who was in a carriage with his two sons and

railway affair is considered, the more extraordinary does it appear. The impossibility in twing her out. Everything has been given to try the newly perfected sulordinary cultivation, can be so blind in the present age of the world, to the rudimentary increase of political economy, as not to see the perinary successfully in the party back to the hills.

Before F.W. Mitchell, Esq.

The impossibility in twing her out. Everything her been given to try the newly perfected sulmounces. The actionship word, the hallism's marine ship of M. Baner. As the former inventage of the cheen of the most of the most of the perinary perinary back in the party back in the party back in the national defences unattended to, orders word, the unitomal defences unattended to, orders word, though that is bad enough to look back though that is bad enough to look back though the twenty highest and down to the very highest and to were the very highest and down to the very highest and to w
